

## Hand and Body Lotion Blending Bar

GINGER LILY FARMS blending Bar is the hottest trend in retail is custom everything. From yogurt bars that you select up to 40 flavors to Coke custom fountain soda that you add virtually any flavor to your soft drink to Starbuck's lattes and cappuccinos, consumers want their own unique blend. You can add your own label to the bottle. (we will supply you with an ingredient list)

Now you can be the first to offer your clients custom blended goods. They can even pick their own scent for a service that is being done on them, make them feel special.

Ginger Lily Farms Custom Blending Bars are so much fun as your clients get to select the fragrances they want and can mix together as many fragrances as they wish. Plus the quality, packaging and pricing can't be beat.

As an added bonus, our blending bars are super profitable. Your initial investment covers everything you need and you have no obsolete inventory to worry about. And you can be sure that your clients cannot buy Ginger Lily Farms products from any chain retailer.
