

Golden Moor

The Golden Moor Bog is located in Casselman, Ontario, Canada, a small village situated 50 kilometers from Ottawa in a valley. The quality of the moor in this area is of higher quality than any moor used elsewhere in the world.

The Secret Is OUT!!!!

What is the secret behind this amazing line of products?

Humic acid is a complex mixture of organic compounds, which has shown properties that are a great benefit in the regeneration of new skin cells. To summarize simply, the humic acid molecule penetrates the skin, is easily absorbed and acts as an effective delivery system to carry nutrients to regenerate new skin cells and provide the following benefits at the cellular level:

- Protect the skin from harmful FREE RADICALS-ANTI-OXIDANTS- for diminished signs of aging;
- Reduce redness and puffiness-ANTI-INFLAMMATORY- for a clear complexion;
- Regenerate skin cells-NUTRIENT DELIVERY SYSTEM-reclaim youthful radiance;
- Repair damaged skin-ORGANIC NUTRIENTS- for plump, smooth and softer skin;
- Draw out toxins and impurities-ASTRINGENT-deep cleanse pores for acne-free skin.

Twenty years of advanced scientific research led to the development of our proprietary moor extract, created from ancient, nutrient-rich plant vegetation found in our Canadian moor bog. An extensive research based on European study, led to the development of different product to render healthier functions to the human body.

Our moor mud contains an abundance of nutrients including; organic plant extracts, vitamins, minerals and trace-minerals, lipids, amino-acids, proteins, and carbohydrates.

Natural Mask

This unique 100% natural mask is the 3rd and 4th layer of the moor bog. It is the most consistent layer with only a small quantity of water. It detoxifies, purifies the skin, removes excess oils and clarifies impure properties and creates beauty through health. It also helps heal acne-prone skin, tones and is anti ageing. In Europe, it has been extremely successful in Dermatology for many years. There are no contraindications with the Natural Mask. It suits the most sensitive of complexions and is beneficial to people using Retin-A. Active ingredients: Moor (Peat), Lemon, Rosemary and Sage essential oils.

Application:

Apply Natural Mask on clean skin with a facial mask brush starting at the chin and then onto the remaining area of the face, neck and décolleté. Finish by applying on eye contours.

Application time:

For sensitive skin - 2 minutes

For dry skin - 3 minutes

For normal skin - 4 minutes

For oily skin - 5 to 10 minutes

* It is recommended to apply a cream under the mask for sensitive skins. Rinse with wet cloth or sponge. The Natural Mask may provoke a feeling of freshness and redness may also appear after rinsing. This may last to (1) hour. These are normal reactions. We suggest that the Natural Mask be used (3) three times a week to keep your skin looking healthier and younger.

Physio-active Balm

Because it is soluble in lipids, the ester penetrates into the treated skin extremely quickly. Hyperaemia and a rise in temperature occur just a few minutes after massaging the ointment in. This methyl is outstandingly well tolerated in almost all cases. The subjective effects of Physio-active Cream are felt as easing or even totally relieving of pain and as a comforting feeling of warmth that often lasts for hours.

Citronella essential oil ensures that the ointment does not burn sensitive skin. L'harpagophytum is a further substance that has contributed to Physio-active Cream becoming a popular and most valuable ointment against rheumatism.

Indications: All rheumatic complaints, sciatica, lumbago, chronic arthritis, rheumatoid arthritis neuralgia also for neuralgic symptoms caused by sport, heavy work or chills, neuritis, myalgia, low back pain, contusions, strains, pleurisy, pneumonia with delayed absorption, intervertebral disc injury, peripheral circulation disorders.

Composition:

Active ingredients: 0.563 gr Methyl Nicotinate and 0.563 gr Capsaicin.

Non-active ingredients: Moor extracts 2%, Citronella essential oil 1% and Devil's Claw extract.

Precautions: Do not use on babies and small children, nor on inflamed or allergic skin.

Application: Unless otherwise prescribed, massage ointment gently into the tender areas in the morning and evening. More often for severe pain. Wash hands with soap after use! Do not apply to open wounds, mucous membranes or the eyes. The ointment is kind to the skin, does not stick or stain clothes and has a pleasant smell.

Body Treatments

Body Sculpture Moor

The sculpture mud is the strongest for cellulite and slimming. It is used for cirotherapy and is a strong vasodilator (Vasodilation refers to the widening of blood vessels[1] resulting from relaxation of smooth muscle cells within the vessel walls, particularly in the large arteries.)

Formulated according to a unique procedure, this body wrap containing 100% moor is used by professionals to mold the body. Through its slimming effect, it activates the circulation, tones and reduces the "orange peel" appearance of the skin. Use as needed or for optimal results, 3 treatments a week for 4 consecutive weeks is recommended.

Ingredients: Moor, Menthol, Wintergreen, Eucalyptus, Camphor and Red Pepper Extract.

Application: Apply a generous layer of moor body sculpture on the zones to be treated. Cover the area with plastic gauze and apply a heat source such as an electric or thermal blanket for 30 minutes. To rinse, shower or bathe. A pleasant heat sensation will be felt and the skin will have a redness that will disappear after one (1) hour.

Chocolate Blitz Mask

The Chocolate Blitz body mask is a super skin hydrator. There are phospholipids in the cocoa. It is an anti-aging mask, and also stimulates the central nervous system.

Ingredients: Moor Mud (Peat), Cocoa Extract (Theobroma Cacao) and Cream base application (Vitamin A, B-2, B-6, and C, E, Trace mineral - calcium, iron, zinc, copper, potassium, and magnesium - linoleic acids, polyphenols and caffeine).

Benefits: This excellent combination of botanical moor and the active ingredients of the chocolate makes this creamy mask a unique hydrating and stimulating wrap. It neutralizes the free radicals and is a strong anti-oxidant. With the moor mud and the phospholipids in the cocoa the skin is restructured and is regenerated and becomes hydrated. It improves the following: circulation, stimulates the central nervous system, revitalizes the epidermis, soothes sensitive skin and attenuates cellulite.

Application: Apply with spatula or surgical glove, a fine quote directly on skin, massage and then wrap with plastic sheet and blanket and leave for a period of 20 minutes.

Mocha Java Mask

The Mocha Java Body Mask is a super circulation stimulator. It's a vasodilator, will warm up the feet and hands, it is a toner and firmer. The caffeine helps burn the fat as well as hydrating the skin.

Ingredients: Moor Mud (Peat), Vitamin E, Hemp Oil, Orange Essential Oil, Mocha Java Coffee Extract and Cream base application ((Vitamin A, B-2, B-6, and C, E, Trace mineral - calcium, iron, zinc, copper, potassium, and magnesium - linoleic acids, polyphenols and caffeine).

Benefits: The caffeine and coffee extract combined with orange essential oil is a strong vasodilator. It stimulates your cellular microcirculation by reducing the puffiness. It also helps reduce the cellulite between the connective tissue by stimulating the fat degradation. In other words it speeds up the burning of fat. The added vitamin E and hemp oil infuses the skin with protein making this moor mud wrap a hydrating, cell regenerating treatment without leaving your skin oily.

Application: Apply a thin layer of mocha java coffee on desired area. Wrap with plastic and rest for 20 minutes. Remove with a wet towel or in a mud bath.
