"POP in" and see us every Monday, to check out & learn about some of the products we carry, and how to incorporate them into your services!

Enjoy a Purple Participation Perk, by saving on that product when you participate.

At most POP in's, you can actually have a service / demo done, or bring your own model and give it a try!

For every POP in you participate in, you'll receive a special card to save on the product!
SAVE up to 30%
